

# NORDEN 901 EXPEDITION – EAGLE HUNTER TOUR

PACKAGE DETAILS

# BE AN EXPLORER

## EXPERIENCE UNTOUCHED WESTERN MONGOLIA

On a bike which was exactly built for this long-distance adventure: the new Norden 901 Expedition.

## 100% REMOTENESS

We have never gone that far before and we can promise you – it will be rewarding. You will be exposed to Mongolian culture and hospitality at its best, including meeting our traditional eagle hunters and getting to know their way of living. They only live in this specific area, 2000km away from Ulaanbaatar.

## PURE WILDERNESS

Coupled with the most breathtaking landscapes are awaiting you.

# IMPORTANT FACTS about us

- Established in 2015, NOMADIC OFF-ROAD has turned into the leading premium enduro tour operator in Mongolia.
- We are official importer & dealer of Husqvarna for Mongolia, thereby guaranteeing you the best equipment and gear at all times.
- Our mechanics are trained at Husqvarna HQ in Austria and have the highest status: Blue-Level.
- Designed for riders seeking a real full-week adventure experience. The ultimate feeling of freedom and remoteness. All at a maximum level of service, safety and attention to detail.
- Accompanied by a professional team: One support vehicle, tour leader, guide, mechanic, one assistant as well as a private chef preparing fresh breakfast, lunch and dinner.
- Among tons of other things - you will ride through the most remote parts of Mongolia, enjoy BBQs next to bonfires in the open wild, sleep under a carpet of stars and meet the most welcoming Nomadic families on the way.
